01/01/2023	<p>Shruthi has been ineligible in all the courses except Design Thinking in her first semester. During the mentoring session, Shruthi spoke of several academic and personal factors that led to her underwhelming performance. After several requests from her parents to the class coordinator and the Dean of Academics, she has been allowed to move to the next semester based on the following criteria:</p> <ol style="list-style-type: none"> <li>1. She is responsible for maintaining 75% attendance and passing the CIE marks for upcoming semesters.</li> <li>2. She will reregister for the first semester courses in her 3rd and 5th semester depending on the upper limit of credits that can be undertaken in those respective semesters.</li> <li>3. Her academic and personal discipline will be under the close watch of the class coordinator. Hence she will meet with the class coordinator regularly to update her on her ongoings in the college.</li> </ol>		Student has signed an undertaking attesting to the here-mentioned criteria.
