

We believe that creativity is the key competence required to excel in our complex world where independent thinkers, product leaders, artists, designers and innovators are the need of the hour. Our students learn creative concepts and design thinking regardless of their area of study. Students are evaluated on the basis of real-life skills such as teamwork, presentation, research and initiative. CMR University fosters creative communities where new ideas can be nurtured, new discoveries made and new creations shared.

Karnataka State Council for Science and Technology (KSCST):

KSCST is one of the first State S&T Councils to be set up in the country established in the year 1975 at Indian Institute of Science Campus.
