

### **7.1.5. The CMR University has initiated various steps for green campus.**

#### **1. Restricted entry of automobiles**

Since automobiles are one of the main sources of air pollution so we are working on the policy for restricting the use of automobiles in the campus. We have dedicated parking area for automobiles. Also, we promote public convenience and have 3 buses for staff and students.

#### **2. Use of Bicycles/ Battery powered vehicles**

As a commitment to promote green campus we utilize facility of 6-seater battery powered vehicle called buggy in the campus (See Fig. 1 in Relevant Document). This facility is available for parents and faculty purpose. This electric vehicle is being used to avoid pollution in our campus. Also, we promote use of bicycle inside the campus.

#### **3. Pedestrian Friendly pathways**

The CMRU campus has greenery pedestrian-friendly pathways for the usage of people whoever visiting our campus, students, and employees. This pathway is set up from the main entrance to the SOET building (See Fig. 2 in Relevant Document).

#### **4. Ban on use of Plastic**

The plastic usage in campus premisses is completely restricted.

#### **5. Landscaping with trees and plants**

The CMR University comply with Go Green motto. The campus is in the outskirts of Bengaluru and is covered with plants and trees (See Fig. 3 in Relevant Document).
