National Voters' Day 25th Jan 2023

National Voters Day is celebrated on 25th January every year. On National Voters Day, people across India celebrate their right to vote by celebrating democracy, exercising their civic duty, and participating in the democratic process. National Voters Day reflects the importance of voting. People should take the time to recognize that when they vote in an election, they are bringing a difference. National Voters Day encourages voters to use their voices at the polls and make their votes count. Voting is a constitutional right. People may choose to vote for someone who could bring changes to their lives. Voting helps shape the world, community and country we live in. It is important to cast a ballot because our voice can help bring changes. Every vote is crucial during the election and citizens can make a difference in the country by voting. It is one of the only ways we, the people, can have power over what happens next.
