ABOUT CMR UNIVERSITY

CMR University (CMRU), Bangalore is a private university in the state of Karnataka, established under the Act 45 of 2013. The University fosters creative communities where new ideas are nurtured, new discoveries made, and new creations shared. CMRU works with the Vision "To nurture creative thinkers who will drive positive global change."

- With a new-age INNOVATION CENTRE in place, CMRU provides students from all programmes a sophisticated platform to enhance their learning experiences. This comes with a practical and actionable approach.
- CMRU also focuses on making learning and development more student-friendly. The launch of the CMRU Accelerated Credits programme enables all early enrollers to earn 2 Credits right at the Registration Phase.
- Conforming with statutory norms set by UGC Guidelines set for Higher Education Institutions (HEIs), CMRU outclasses the set standards through respectable rankings in areas of Education, Placement, Research, Sustainability, Best Practices and more.

WHY CMRU SCHOOL OF SCIENCE STUDIES

The School of Science Studies at CMR University offers a unique and interdisciplinary approach to the study of science and technology. The school is committed to providing students with a comprehensive education that goes beyond traditional classroom learning, incorporating aspects of social, historical, philosophical, and cultural dimensions of science and technology. The faculty members in the school are experienced and dedicated educators, with a passion for research and innovation.

These programmes prepare students for careers in areas such as software development, data analysis, cyber security, and more. Certificate programmes like Cyber Security and Data Analytics provide additional specialized training for those looking to enhance their skills in specific areas. Overall, these programmes offer students opportunities to gain a deeper understanding of the applications and impact of technology in society.

INFRASTRUCTURE

The School of Science Studies' futuristic campus is the epitome of innovation, where design meets distinction, creating an awe-inspiring symphony of intellectual prowess and scientific ingenuity.
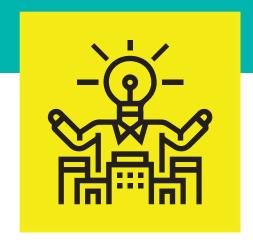

WHY STUDENTS LOVE SOSS

Music Production Facilities:

The university also boasts state-of-the-art music production facilities, including recording studios, sound editing software, and equipment, allowing students to explore their creativity in music production and develop their skills in sound engineering.

Sports Facilities:

CMR University has excellent sports facilities, including a sports complex, gymnasium, tennis and basketball courts, and a football ground, providing students with opportunities to engage in sports and fitness activities.

Entrepreneurship:

The university supports students who want to start their own businesses, with a dedicated incubation center providing resources and mentorship to aspiring entrepreneurs. Students can also participate in various entrepreneurship-related events and competitions to gain exposure and network with industry professionals.

STUDENT SHOWCASE & CLUBS

CMRU enhances the student journey by engaging them in exciting activities under various clubs. There is something for everyone here.

100% PLACEMENT

The placement activity is initiated right at I Semester at CMR University and is based on D-B-D (Discover-Build-Deliver) framework. The D-B-D framework initiates students into placement through multiple training and development initiatives in the areas of career goals, understanding the industry & skills required, choosing the right mentors, finding the right internships, personal branding, building a resume, preparing for group discussions and personal interviews etc.,

The University has been consistently achieving 100% placements of all eligible students in its SOSS programme. The SOSS 2020 batch salary details are:

Average Salary

Top 10% **:** Rs. 6.2 Lakh | *Top 20%* : Rs. 5.8 Lakh | *Batch :* Rs. 4.5 Lakh
