ABOUT CMR UNIVERSITY?

CMR University (CMRU), Bangalore is a private university in the state of Karnataka, established under the Act 45 of 2013. The University fosters creative communities where new ideas are nurtured. CMRU works with the Vision “To nurture creative thinkers who will drive positive global change.”

- With a new-age INNOVATION CENTRE in place, CMRU provides students from all programmes a sophisticated platform to enhance their learning experiences.
- CMRU also focuses on making learning and development more student-friendly across all Schools of Studies. CMRU Accelerated Credits programme enables all candidates the opportunity to earn 2 Credits right at the Registration Phase.
- Conforming with statutory norms set by UGC Guidelines set for Higher Education Institutions (HEIs), CMRU outclasses the rest by scoring remarkably in the areas of Education, Placement, Research, Sustainability, Best Practices and more.

WHY SCHOOL OF MANAGEMENT?

Industry-Relevant Curriculum: The curriculum at the School of Management is designed to meet the demands of today's job market. The courses are regularly updated to reflect the latest industry trends and practices, and students are given ample opportunities to apply their knowledge through practical assignments and projects.

Top-Tier Corporate Faculty: The faculty at the School of Management are experts in their respective fields, with many of them holding PhDs and having years of experience in academia and industry. They are dedicated to providing students with a comprehensive education that prepares them for successful careers in management.

Industry-Backed Programme: The School of Management has strong connections with industry leaders, which provides students with opportunities to gain hands-on experience through internships and projects. This also means that students are well-positioned to secure employment after graduation.

BRIDGING THE GAP BETWEEN CURRICULUM AND CAREER WITH CMRU LEAP

WHAT IS LEAP?

LEAP - Learning, Engagement and Advancement Programmes

It is an innovative approach designed to provide students with hands-on, practical experiences through a combination of classroom learning, industry projects, and internships.

Interdisciplinary Skillset

Interdisciplinary study exposes students to a wider range of ideas, theories, and approaches. Students at CMRU have the advantage of interacting with fellow learners from varied Schools which help cultivate a culture of multi-disciplinary learning and upskilling.

Leadership Capacity

By developing these qualities, students can become more self-assured and confident in their abilities, which can lead to increased success in both their personal and professional lives.

Effective Communication

Effective communication skills can help students express their ideas clearly and articulate their thoughts in a concise and organized manner. This can lead to better academic and career performance.

Social Impact

Learning about social issues and engaging in dialogue about them helps students to develop critical thinking skills. They learn to question assumptions, evaluate evidence, and analyze complex situations.

INFRASTRUCTURE

AN ECOSYSTEM OF INFRASTRUCTURAL MARVEL THAT CAPTIVATES, INSPIRES AND DELIGHTS.

WHY THE STUDENTS LOVE SOM

Practical learning opportunities that allow students to apply management concepts in real-world settings.

Experienced faculty who can provide relevant insights and guidance.

Career counseling, networking events, and alumni connections to help students transition into the workforce.

Opportunities to conduct **research** and publish findings.

A **diverse student body** that provides valuable perspectives and enhances the learning environment.

Flexibility in course offerings, specializations, and scheduling options.

The **use of technology**, such as online learning platforms and data analytics tools, to prepare students for the digital age.

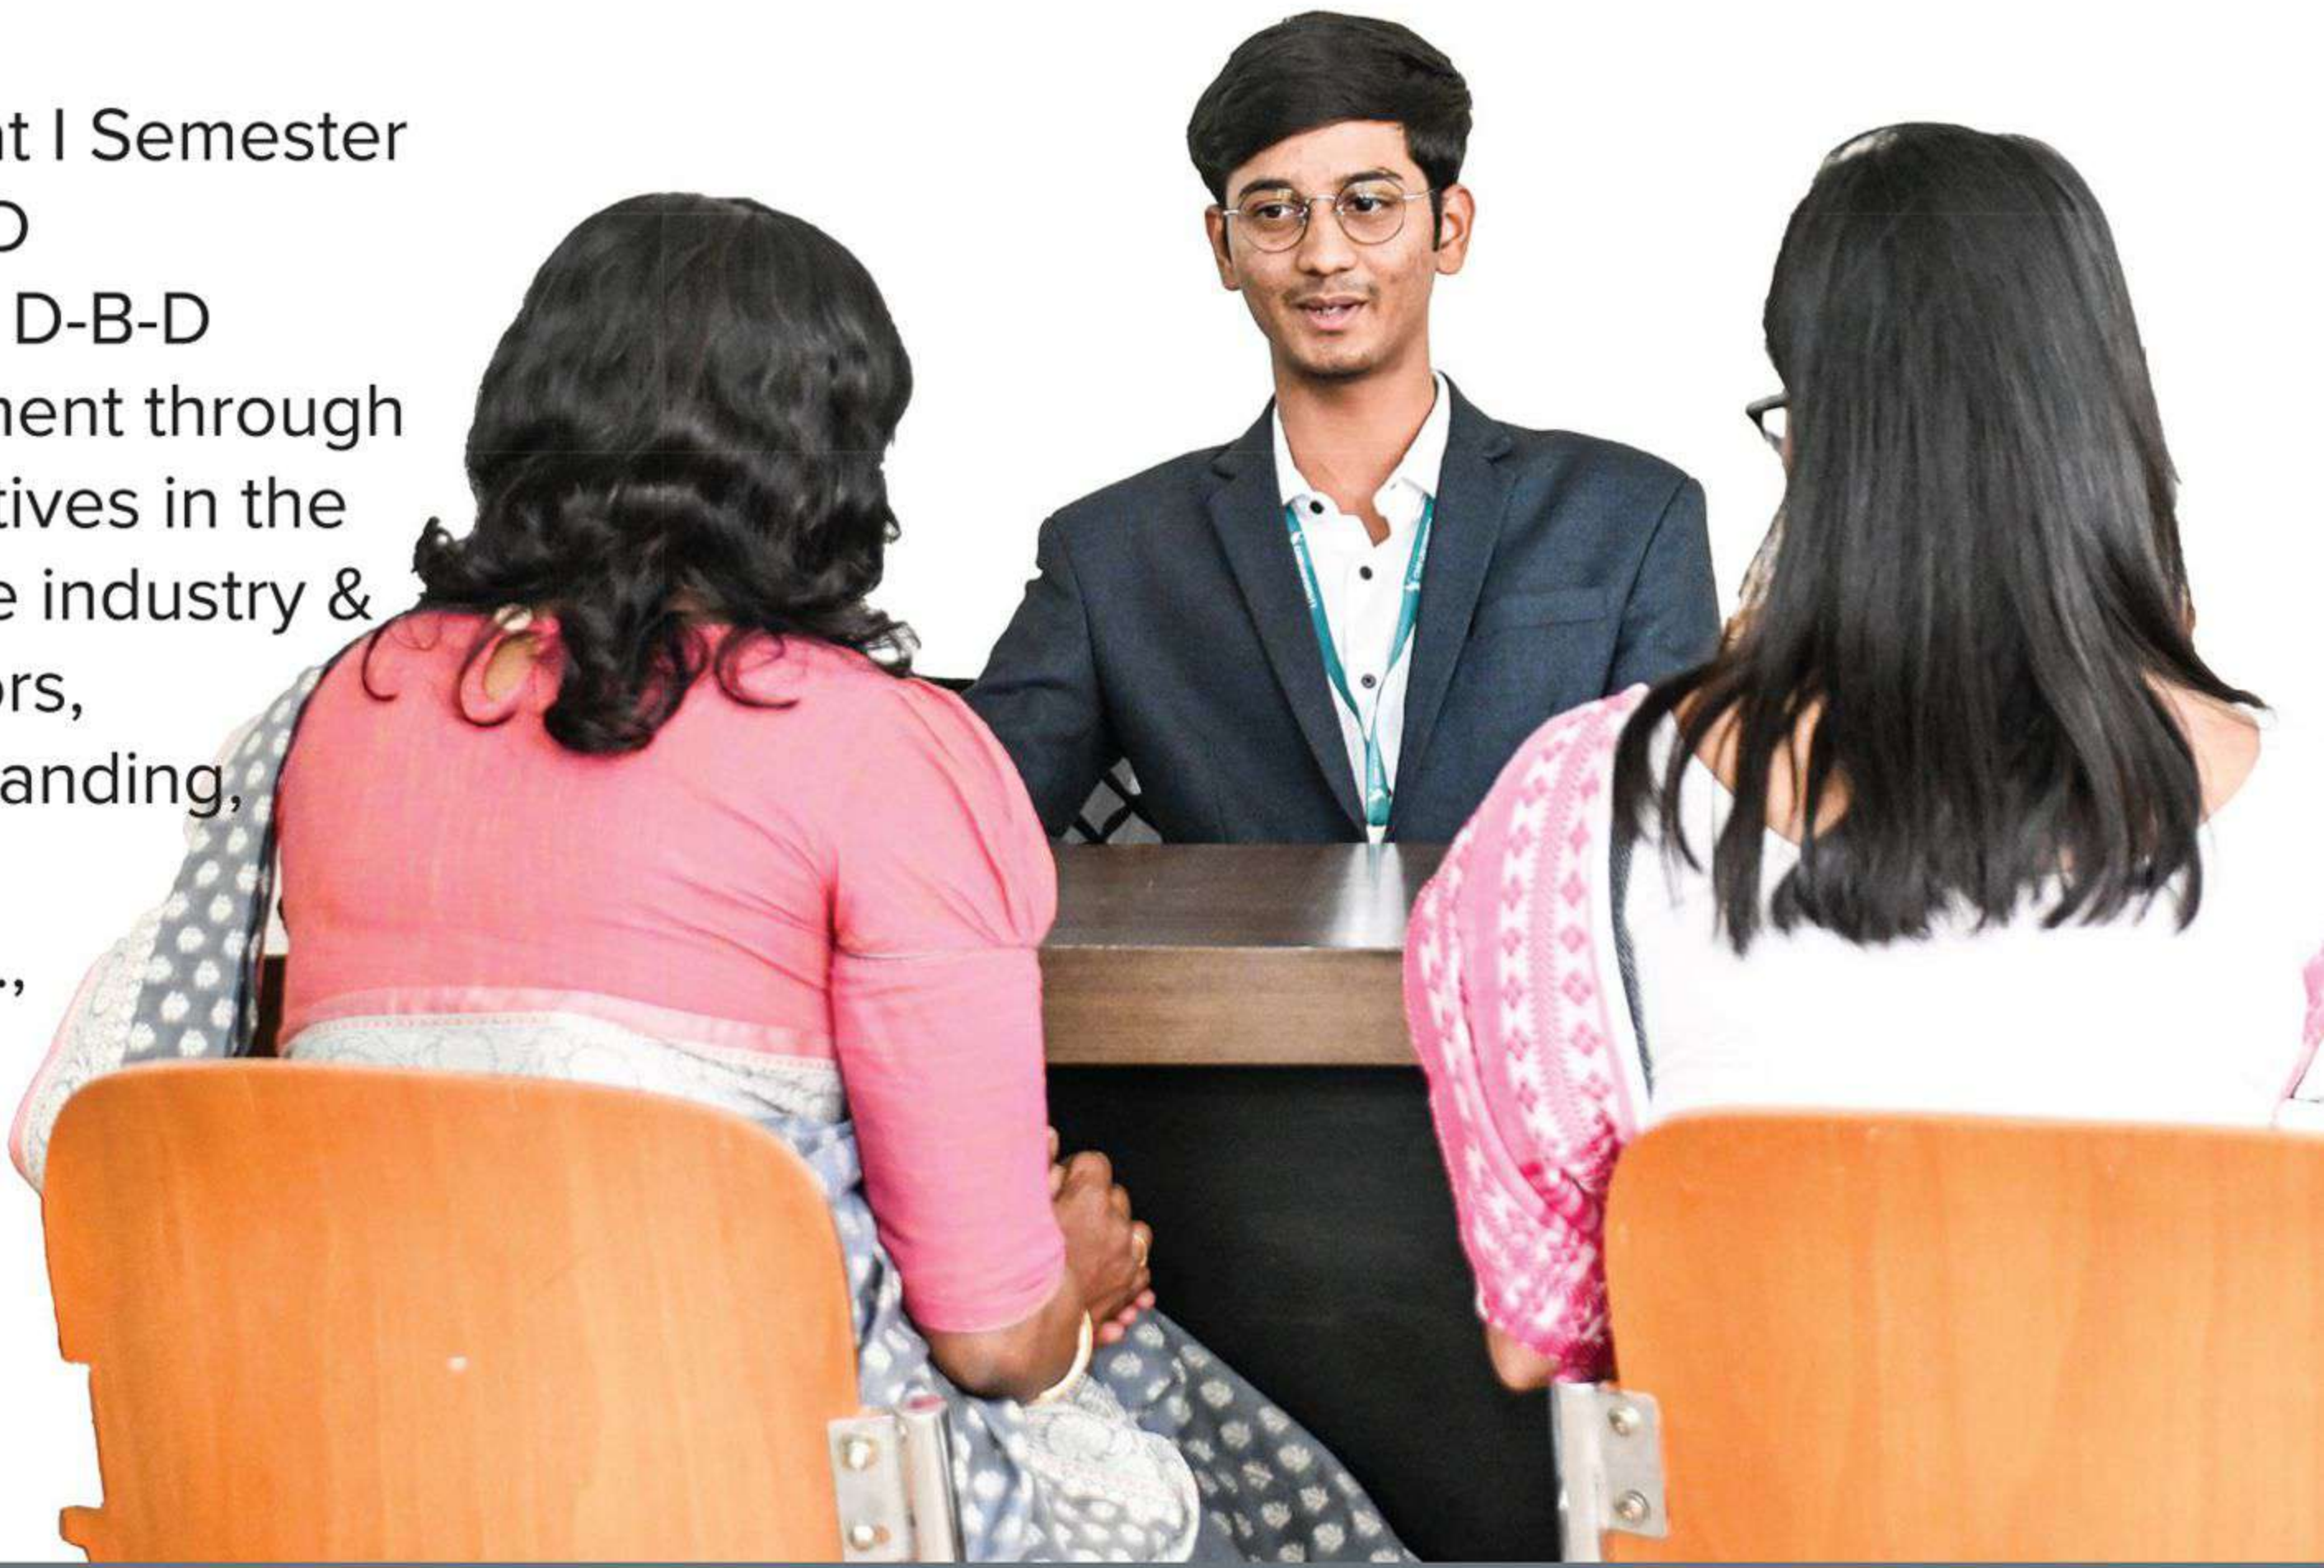

A focus on **ethical leadership** and social responsibility.

A range of **extracurricular activities**, such as clubs and community service opportunities, that provide a well-rounded college experience.

100% PLACEMENT FOR ALL ELIGIBLE STUDENTS

The placement activity is initiated right at I Semester at CMR University and is based on D-B-D (Discover-Build-Deliver) framework. The D-B-D framework initiates students into placement through multiple training and development initiatives in the areas of career goals, understanding the industry & skills required, choosing the right mentors, finding the right internships, personal branding, building resume, preparing for group discussions and personal interviews etc.,

The University has been consistently achieving 100% placements of all eligible students in its SOM
