Dear Dr Mohan Kumar S:

Let me extend a welcome to City, University of London, UK. I look forward to your joining our team. The purpose of this letter is to confirm your Visiting Postdoctoral Fellowship (Research Fellowship) in the area of disruptive technologies in collaboration with MIT Square Services Private Limited, London. The effective date of your fellowship is 01 June 2023 to 30 May 2024.

You will report to Dr Mithileysh Sathiyarayanan and myself, who will supervise your research objectives. The primary work location, work timings and schedules are flexible. The intention is to collaborate through regular meeting platforms. To visit the campus and research lab, we may need to send a separate set of documents. You may discuss anything specific about the project with your mentors through virtual meetings and email. Specific duties will be discussed with you upon commencement of your research.

As a postdoc, you will be performing hours of service remotely for a research project of mutual interest, to be identified at the start of the fellowship, as well as your own independent research. Your remuneration and other funds will be based on your progress and based on the participating industries.

Congratulations on your postdoctoral fellowship, and again, welcome to City, University of London.

Sincerely,

*Thomas M Chen*
