SOA

SCHOOL OF ARCHITECTURE

Create the Future

Secured Gold Grade in the Prestigious QS I-Gauge Indian University Rankings

Established in Karnataka State by Act #45 of 2013. Recognized by UGC.

Vision

To be a recognized maker-centric school of architecture where creative and competent professionals are honed to be socially and ecologically relevant, and become humane global citizens addressing the changing needs of the contemporary built environment

To nurture creative thinkers
who will drive positive global change

Our curriculum aligns with the Vision of the University, to provide students with a holistic learning experience - to prepare students for successful careers or higher education and equip them to thrive in a VUCA (Volatility, Uncertainty, Complexity, and Ambiguity) world. We aim to mold graduates into socially responsible, creative problem solvers fostering lifelong learning and ethical leadership.

Preparing for Success

Knowing Self & Community

Contributing to Society

Our thoughtfully crafted curriculum emphasizes Academics, Creativity, and Individual Expression.

Programme Curriculum
CREDIT COURSES

Constantly designing new initiatives and learning experiences for students to learn from, master and forge their unique learning paths such as:

- Experiential Learning
- Critical & Design Thinking
- Project Based Learning
- Community Service
- Innovation Council
- Embeded Indian Knowledge system

Common Core
CREDIT COURSES & GRADUATE REQUIREMENT COURSES

All undergraduate and masters level students familiarize themselves with relevant skills, exposure, knowledge and practices to thrive in the practical world today and in the future.

Accelerated Credit Course (ACC)
STUDENT ENGAGEMENT & CERTIFICATION

ACC courses engage students with specialized knowledge and skills in cutting-edge developments, through training & certifications, absolutely free to all. Those who join CMRU are awarded credits also.

Global Immersion Programme

The global immersion programme provides diverse cultural experiences, fostering personal growth and valuable international exposure, aiming to expand students' learning beyond traditional boundaries. So far, there have been several diverse GIPs, namely in South Korea, Malaysia, Singapore etc.

Scholarships Offered

Rs. 1 Crore worth scholarships available under different quotas such as:

CMR Merit Scholarships
CMR Sports Scholarships
CMR Leadership Awards

The SOA advantage

EMBRACING AN IMMERSIVE LEARNING EXPERIENCE

The CMRU School of Architecture provides an immersive and interactive teaching environment, emphasizing a curriculum designed to nurture creativity and critical thinking. Through the innovative method of maker-centered learning, students are encouraged to reflect on their intentions, choices, and actions, fostering a holistic understanding of architecture.

SEEKING THE SPECTRUM THROUGH THE STUDIO LEARNING APPROACH

At SOA, we prioritize holistic student development through ongoing engagement across diverse domains. Our unique studio learning approach spans a spectrum from small-scale objects to entire metropolises. This method empowers students to synthesize intuitive insights and apply design thinking to craft innovative solutions.

PRIORITIZING DEVELOPMENT THROUGH A VIBRANT ACTIVITY PALETTE

The CMRU School of Architecture promotes the all-round development of a student by organizing a wide range of curricular, co-curricular, and extracurricular activities, cultural activities, interschool sports activities, celebrations of various national festivals, etc. Through this, students are given a multitude of opportunities to showcase their talents and skills and enhance their personalities.

CRAFTING SKILLFUL CAREER OPPORTUNITIES

Students completing the B.Arch. program from CMR University's School of Architecture get to take up productive careers as well as successful entrepreneurial ventures by assuming roles such as architects, design managers, interior designers, landscape designers, urban designers, construction and project managers, architectural journalists, and builders and developers.

Programmes at SOA

B.Arch. | Bachelor in Architecture

The Bachelor of Architecture (B.Arch.) program, offered by CMR University School of Architecture, Bengaluru, is strong in the fundamentals of architectural theory and practice and responds to the changing definitions of architecture in Indian and global contexts.

The emphasis on 'Practice to Theory' and 'Theory to Practice' makes the B.Arch. program competitive and relevant. Maker-centered pedagogy is an integrated process of directed, experiential, hands-on, reflective, and independent learning.

Programme Type: Full Time
Programme Duration: 5 years (10 semesters)

Training & Placements

Headed by a Director and Senior Professor, every school has a dedicated Placement Officer to liaison with the Corporates, providing placement opportunities for students to establish lucrative careers in their chosen field.

STUDENT DEVELOPMENT PROGRAMME

- Structured Career Preparedness Programme (CPP) on Discover-Build-Deliver (DBD) Model from the first Semester
- Industry Specific Training
- Student Support Mechanisms

INTERNSHIPS

Opportunity to engage in a semester-long internship with registered architects & practitioners. Students can undertake up to four summer internships in June & July, which extend beyond traditional architectural offices to explore diverse organizational settings.

PRE-PLACEMENT TRAINING PROGRAMME

Placement Officer arranges pre-placement training programs for students to prepare and face campus recruitments such as:

- Soft skills for employability
- Quantitative Aptitude and Logical Reasoning
- Verbal aptitude
- Training specific learning outcomes
