A holistic 360 degree approach to training is adopted and helps them hone their fundamental computer skills followed by insights into Wipro businesses, process, technology and behavioural skills.

To understand and appreciate the mindset of the young Trainees and ensure that the transformation is smooth, the induction program is done by a team of dedicated professionals who have exposure to the academic and corporate sectors alike. Project Readiness Program (PRP) is a training program designed to address the basic learning needs of the Trainees.

Corporate Readiness Program - CRP

The CRP program is focused on making young Trainees comfortable in a corporate environment. This program starts with a corporate induction.

"EMERGE" a behavioural skills building training program ensures that the fresh Trainee start feeling at ease in the "corporate world". This activity based behavioural intervention informs the new entrants about the corporate work culture and business etiquette.

Technology Readiness Program - TRP

The technology training provides critical technical skills required to work on projects allocated to Trainees and prepare to face the demands of the project world. We begin doing this by familiarizing with Wipro's businesses and work environment.

The methodology of training is "Project Based Learning" (PBL) approach, the entire learning is designed around a series of projects that the recruits are expected to complete individually by learning and applying various topics required to complete the project. www.hcl.com

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. This component allows employees to participate and take control of delivery excellence in their respective engagements. Payout of EPB will be based on EPB guidelines as applicable to the respective engagement.

www.hcl.com

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. This component allows employees to participate and take control of delivery excellence in their respective engagements. Payout of EPB will be based on EPB guidelines as applicable to the respective engagement.

www.hcl.com

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. This component allows employees to participate and take control of delivery excellence in their respective engagements. Payout of EPB will be based on EPB guidelines as applicable to the respective engagement.

www.hcl.com

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. This component allows employees to participate and take control of delivery excellence in their respective engagements. Payout of EPB will be based on EPB guidelines as applicable to the respective engagement.

www.hcltech.com
www.hcl.com

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. This component allows employees to participate and take control of delivery excellence in their respective engagements. Payout of EPB will be based on EPB guidelines as applicable to the respective engagement.

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

.

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit.   *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.

The Talent Transformation team at Wipro groom's campus selects to help them face the challenges of the corporate world.

A holistic 360 degree approach to training is adopted and helps them hone their fundamental computer skills followed by insights into Wipro businesses, process, technology and behavioural skills.

To understand and appreciate the mindset of the young Trainees and ensure that the transformation is smooth, the induction program is done by a team of dedicated professionals who have exposure to the academic and corporate sectors alike. Project Readiness Program (PRP) is a training program designed to address the basic learning needs of the Trainees.

Corporate Readiness Program - CRP

The CRP program is focused on making young Trainees comfortable in a corporate environment. This program starts with a corporate induction.

"EMERGE" a behavioural skills building training program ensures that the fresh Trainee start feeling at ease in the "corporate world". This activity based behavioural intervention informs the new entrants about the corporate work culture and business etiquette.

Technology Readiness Program - TRP

The technology training provides critical technical skills required to work on projects allocated to Trainees and prepare to face the demands of the project world. We begin doing this by familiarizing with Wipro's businesses and work environment.

The methodology of training is "Project Based Learning" (PBL) approach, the entire learning is designed around a series of projects that the recruits are expected to complete individually by learning and applying various topics required to complete the project. Starting with individual projects, the PBL approach ends with recruits working on a team project.
