# THEME

Our Theme for this year is Bohemian Carnival.

Bohemian style is more than just a fashion trend – it's an actual culture in it's own right.

We would be celebrating the tradition and allegorical festivities, which date back to medieval times in form of human joy and fantasy.

Bohemian style comes with a long history, with its aesthetics originating in the late 60s and 70s. Also called 'boho chic' or 'boho', the style features a variety of natural materials, earthy shades and hippie-inspired patterns. A Bohemian theme means getting in touch with nature.

"CYGNET" is all about celebrating the "Bohemian culture" the way of living that embraces a life full of music, art, literature, and the practice of freedom over possession. It is going to be an event loaded with fun competitions and adventurous activities, Informal events and much more!
