Bengaluru. 562149**

About the CMR University

CMR University (CMRU) is a private university in the state of Karnataka, established and governed by the CMR University Act-2013. CMR University aims to promote and undertake the advancement of university education in technical, health, management, life sciences and other allied sectors of higher and professional education.

We believe that creativity is the key competence required to excel in our complex world where independent thinkers, product leaders, artists, designers and innovators are the need of the hour. Our students learn creative concepts and design thinking regardless of their area of study. CMR University fosters creative communities where new ideas can be nurtured, new discoveries made and new creations shared.

Overview of the Event

Teachers' Day is a special day for the appreciation of teachers, and may include celebrations to honor them for their special contributions in a particular field area, or the community in general. The idea of celebrating Teachers' Day took root in many countries during the 19th century;

in most cases, they celebrate a local educator or an important milestone in education. This is the primary reason why countries celebrate this day on different dates, unlike many other International Days. For example, Argentina has commemorated Domingo Faustino Sarmiento's death on 11 September since 1915 while in India Guru Purnima is traditionally observed as a day to venerate teachers, the birthday of the second president Sarvepalli Radhakrishnan (5 September) is also celebrated as Teacher's Day since 1962. Many countries celebrate World Teachers' Day, established by UNESCO in 1994, on 5 October as their Teachers' Day.

Details of the Event

- Welcome & Introductory Speech by Dr. Bharath VG
- Video clip about Dr. Sarvepalli Radhakrishnan
- Speech by Pro. Vice Chancellor
- Speech by Dean
- Vote of thanks by HOD of Mechanical & Civil Engineering Department
